DEDICATION

We, the Bulldog Staff, with untiring devotion and appreciation, do dedicate this, our first annual, to the first Seniors of Chapel Hill High School.

In the years the Seniors have been with this school, we have found them dependable, considerate of others, and have shown much responsibility in the building of the character and activities in our grand school. They have grown with this school in grades and number.

For these and many other reasons, Seniors, our first annual is dedicated to you.

SUPERINTENDENT

Superintendent's Message

May we, in this our first Chapel Hill Annual, dedicate ourselves and this institution to those Moral, Educational, and Spiritual values that have made our people and our country great. May we ever strive for those principles which bring peace and happiness to the souls and hearts of men.

It is our hope that the people and events pictured here shall constantly remind us of good friends, the good life, and the many privileges that are ours.

Informed, responsible, intelligent, straight-thinking citizens are needed today as never before. We here dedicate ourselves that these our own, shall have opportunity.

AT CHAPEL HILL

After many days of waiting and preparation, January 19 arrived! This was the day the girls had been looking forward to for so long, for it gave them the opportunity to see who could out-dress the other. Such beautiful dresses and hair-do's . . . to say nothing of handsome beaus . . . have never before been seen.

The banquet was given by the mothers of the players. The high-school teachers were invited, and Dr. Ross was guest speaker. This was truly the Big Event for them.

Our Number One big event — Banquet, January 19, 1951.

BASEBALL AT CHAPEL HILL

Baseball has been a favorite sport of the students of Chapel Hill ever since each student started to school. Some have even expressed the ambition and desire to continue playing baseball with the Dodgers after graduation!

Agriculture includes the ninth through the twelfth grades. These boys are interested in receiving training in various activities. The high-light of the year was the Fat Stock Show in Fort Worth. Most of the FFA boys attended and reported that they have more appreciaion for the work being done by farmers and dairymen throughout the state and country.
